ECO Portable Power Station

Power a Better Life

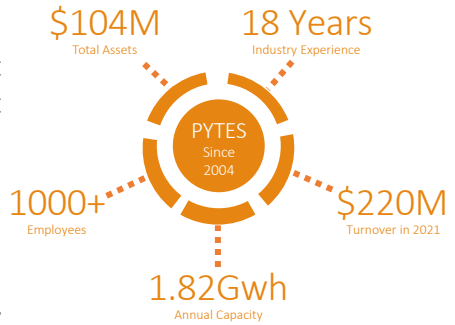

UL Qi FC MSDS UN38.3

Our Story

Power a Better Life, bearing the mission in mind, we offer battery energy storage solutions since the very beginning.

We help people save money and feel confident facing outage, with our ongoing support and technology accumulated over the 18 years.

Creating, Undertaking, Sharing, we practice our philosophy to deliver safe, reliable and affordable clean energy to home, community and the planet for a more carbon-free future.

 Clean
Non-Pollution

 Quiet
Noise Free
Vibration Off

 Portable
Light Weight

 Multi Applications
Indoor & Outdoor

 Maintenance Free
No Gasoline

EcoX
18

ECO X 18 PRO

Capacity	1466Wh (44.4V, 33Ah)
Charging Ways AC Input: Solar Panel Input: Car port Input	AC, 800W 12-60V, 800W 12V, 80W
AC OutLet	3x Rated 1800W, Surge 3600W
DC Output	2x DC5525, 1X Cigarette Lighter Port, 12V 10A
USB-A Output	2x QC3.0, 18W
Type-C Output	2x PD3.0, 60W
Wireless Charger	1x 10W
LED Light	1x 1W
Charging Temperature	0~40 C
Discharging Temperature	-10~40 C
Dimension	13.78 * 10.43 * 9.45 inch

1.5 Hrs 80% Capacity

Efficiency from Fast Charging Technology

Expandable **Capacity**, and **Output Power** as well

2 x Ecox 18 Pro = 3600W, 2932Wh

Powerful Compact Reliable

Outage

- Light 10W
- Camera 16Wh
- CPAP 40W
- Projector 65W
- Bread Maker 650W
- Laptop 60Wh

Camping

- Phone 11W
- 50" TV 100W
- Drone 40W
- Laptop 60Wh
- E-Grill 1000W
- Refrigerator 120W

Professional

- Screwdriver 500W
- Nailer 40Wh
- Angle Grinder 600W
- Mower 100Wh
- Drill 800W
- Welder 1000W

The Battery Management System

Safe Ensurance, Life-cycle Extension

Advantage

Accurate SOC, Simple Display

AC Outlet Cap

- Dust & Splash Proof
- Children Protection

Multi Output Ports

- 10W Wireless
- USB-PD 60W PD
- QC 3.0 USB-A
- AC Pure Sine Wave

3 Charging Methods

- Wall Socket
- Car Port
- Solar Panel

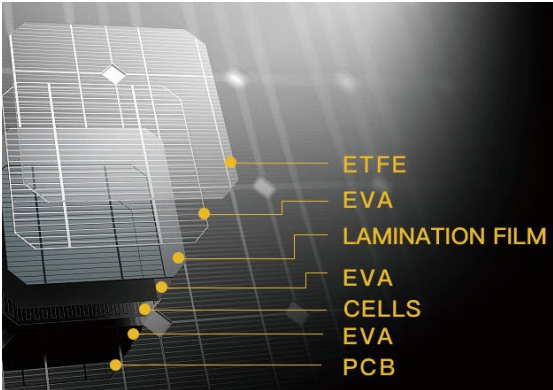

Technical Specifications

Model	Eco3	Eco6	Eco10
Capacity	231Wh	520Wh	933Wh
Chemistry	Lithium-ion	Lithium-ion	Lithium-ion
Shelf Life	1 Year	1 Year	1 Year
AC Ports	1	2	2
AC Output	300W	600W	1000W
Type C PD 3.0 Port	60W	60W	60W

Dimensions (inch)	7.6*5.6*5.8	11.4*7.9*7.9	11.4*7.9*7.9
Weight (lbs)	6.08	14.3	18.7

120W Solar Panel

120W Peak Power
18V / 6.67A DC Output
24%+ Efficiency with ETFE adopted
Monocrystalline Silicon Cell

Folded to 20.5"x15"x2"
Flat at 63.6"x20.5"x1"
9.4 lbs
IP67 Water & Dust Proof
Anti-Fouling
2 Adjustable Stands

DC 7909 Port
Recharge Full PYTES Range

Anderson Port
Fit to 1200W and above Portable
Power Stations

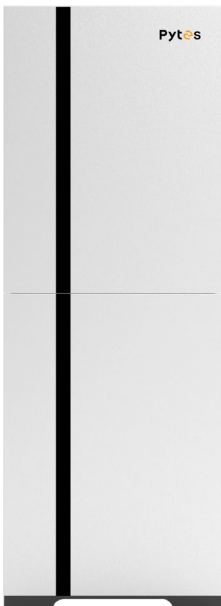

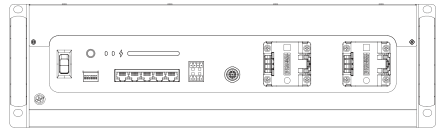

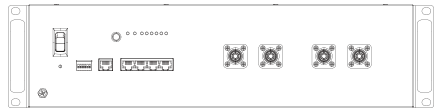

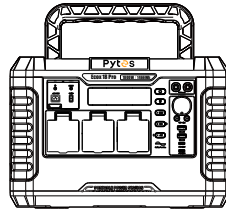

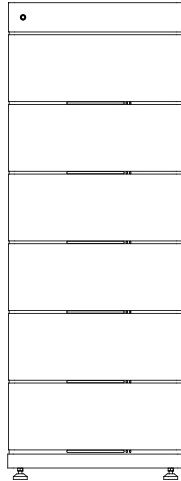

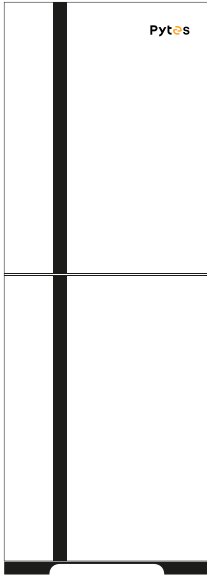

Extra Gift Cables in Kit
Compatible with Most Portable
Power Stations in Market

QC3.0 USB-A PD 45W
For Phones, pads, Cameras and
many other devices

Easy-to-Carry
